This magnificent custom-built chalet-style home in Grande Prairie offers over 2,500 sq ft of thoughtfully designed living space with 5 bedrooms, an office/den, and 4.5 bathrooms — perfectly suited for modern family living. The open-concept main floor features a stunning kitchen with warm wood cabinetry, soft-close drawers, quartz countertops, stainless steel appliances, gas stove hookup, coffee bar, built-in wine rack, and a spacious walk-in pantry. A bright front office overlooks the front yard, creating an ideal work-from-home space. Upstairs you’ll find four bedrooms, including a functional Jack & Jill ensuite plus a private 4-piece bath for the third bedroom. The primary retreat showcases a luxurious 6-piece ensuite with tiled shower, soaker tub, dual sinks, built-in makeup vanity, and a generous walk-in closet with custom shelving. The fully developed basement is designed for entertaining and family enjoyment — complete with a guest bedroom and ensuite, entertainment area with built-ins and speaker wiring, kids’ play zone, and a stylish wet bar with quartz counters and custom lighting. Upgrades include air conditioning, hot water on demand & a natural gas fireplace. Step outside to a landscaped and fenced yard featuring a covered concrete patio and low-maintenance greenery. Enjoy easy access to a scenic paved walking path surrounding the neighborhood pond — perfect for morning walks or evening runs. A spacious, upgraded home offering comfort, function, and room for everyone!
