Massive and elegant freshly professionally painted 6 Bed 4 Bath 2311sq-ft fully developed 2 storey home with heated triple car garage situated on a quiet street in desired Copperwood. As you will pull up to your new home you will appreciate the exterior aesthetic look it boasts, and sheer size of driveway with exposed aggregate with no lack of storage/parking space. Spacious tiled entry way welcomes you with must have coat closet, with magnificent high ceilings. Off the entry way is a family room with formal dining, that leads into the stunning kitchen with quartz counter tops, must have kitchen island with bar stool seating, and corner pantry. Open concept defined between the kitchen, main dining, and living room. Living room is complimented nicely but gas fireplace, and grand windows. Remainder of main floor is completed with full bathroom, and bedroom. Heading up your Cinderella like stairway to upstairs that hosts the master bedroom oasis with walk in closet, full en-suite with both shower and soaker tub. Upstairs is completed with two more large bedrooms and full bathroom. Basement is fully finished with massive third living room, two more bedrooms, full bathroom, and utility + storage room (hot water tank replaced in 2025). Attached heated triple car garage is everyone's dream for winter parking, storage space, or any hobbies your heart desires. Back yard is fully fenced, and complimented by covered deck. Book your viewing today as this home sheer size and space will please, whether your looking for numerous bedrooms, garage / parking space, or entertainment space this home checks all the boxes, and these owners are the only second owners!
