The main floor features a welcoming entrance with large walk-in closet leading into a bright & spacious great room accented by a sleek & stylish electric fireplace. Open concept main floor is given dimension with a step-up dining area with glass railing, it allows for great entertaining options while defining each space for its intended use. Now let's talk about the kitchen in this home; One Word; WOW. Quartz countertops, soft close cabinets, backsplash, upgraded stainless steel kitchen appliances included, undermount Sili granite sink, amazing cabinet & countertop space make this not only a show stopper, it also makes it truly functional. A rear door leads to future deck space (deck optional). A well-appointed & discreetly located 2pc. powder room completes the main floor. Upper level of the home will continue to impress, let's start in the primary suite offering a walk-in closet, ensuite bathroom with dual sinks and modern finishes. A well designed laundry room will show you the thought that has gone into this property, why stack the laundry in a small closet or in the back boot room when you can have a well thought out laundry space located next to all the bedrooms with a linen shelving and a door which can be closed when the work is in progress. Bedrooms 2 + 3 offer large windows for natural light and shelving and the 3pc. bathroom with bathtub is easily accessible. A side entrance to the home that leads to

the lower level can offer many different options. Built and designed by Anthem properties. Anthem doesn't just build homes, they create communities.
