Welcome to this exceptional custom home in the highly sought-after Signature Falls neighborhood—perfectly positioned on a quiet street near parks and just steps from the edge of town. Inside, you’ll be impressed by the unique open-concept floor plan designed for both everyday living and effortless entertaining. The spacious main living area features vaulted ceilings, striking rock accents including a beautiful fireplace and pillars, and high-end finishing throughout. The large kitchen is a true centerpiece, complete with granite countertops, a pantry, and plenty of room to gather, while the formal dining room adds an elegant touch for hosting. The private primary retreat is ideally situated above the garage, offering a generous layout with a luxurious 5-piece ensuite and a walk-in closet. Downstairs, the fully developed basement continues to impress with two large bedrooms, a spacious family room, and an additional bathroom—perfect for guests or a growing family. Additional highlights include a heated garage, air conditioning, and a large deck ready for summer enjoyment. The fully fenced backyard is designed for low-maintenance living, giving you more time to relax and enjoy your surroundings. A large concrete, south facing driveway makes snow removal a breeze. A rare opportunity to own a beautifully finished home in one of the area’s most desirable locations—this property truly checks all the boxes.
