ELEVATED FAMILY LIVING IN O'BRIEN LAKE Ideally located just half a block from École Catholique Louis Riel (Pre-K–Grade 9) and playground, this beautifully designed 2-storey offers a refined blend of space, comfort, and modern style. The main floor welcomes you with a bright, open-concept layout, finished with quartz countertops, designer cabinetry, and light wood flooring, creating a timeless, upscale feel. A convenient half bath and main floor laundry add everyday functionality without compromising design. Upstairs features 3 bedrooms, highlighted by an exceptionally spacious primary suite—a true retreat—complete with a 5-piece ensuite showcasing a soaker tub and double vanity. A standout feature of the home is the expansive bonus room above the heated garage, offering a versatile space for a media lounge, playroom, or elevated family living area. The fully developed basement continues the home's thoughtful design, featuring finished flooring, a dry bar, and a dedicated room currently used for storage that is plumbed for a future bathroom. There is also space to easily add an additional bedroom, making this level ideal for customization. Outside, enjoy a fully fenced and landscaped yard with a dog run, along with a long driveway providing ample parking. This home offers a polished, move-in-ready experience with the flexibility to grow—perfectly positioned in one of Grande Prairie's most desirable neighbourhoods.
