Impressive corner-lot home offering modern design, beautiful views, and an east-to-west orientation that brings in natural light throughout the day. Featuring 6 bedrooms, 3 full bathrooms, and 1 half bathroom, this spacious home offers approximately 1,535 sq. ft. across the main and upper levels plus approximately 1,000 sq. ft. of permitted, City-approved finished basement space. A standout feature is the spectacular primary suite, privately situated on its own level above the double attached garage and thoughtfully separated from the secondary bedrooms and main living areas. The kitchen is designed for both everyday living and entertaining with quartz countertops and a large central island. Step outside to the spacious back deck and enjoy breathtaking panoramic views stretching to the horizon, with no houses directly behind the property for an added sense of privacy and openness. Beautiful scenery and spectacular sunsets create an inviting backdrop for relaxing or entertaining outdoors. With approximately 2,535 sq. ft. of total finished living space, a double attached garage, generous bedroom capacity, and convenient access to schools, shopping, and other amenities, this home offers an excellent combination of space, privacy, functionality, and natural surroundings for large or multigenerational households.
